

**eTABLE 1: Estimated life expectancy at birth for 402 German counties over the 2015-2017 period, in alphabetical order. Estimates are listed separately for women and men. We list the county's rank (1=highest, 402=lowest), the posterior median estimate, and the limits of 80% prediction intervals (i.e. 10th & 90th percentiles). **Blue face** indicates counties in the **top 10% (rank ≤ 40)**; **Red face** indicates counties in the **bottom 10% (rank ≥ 363)**.**
